

Store your products in undercounter refrigeration for convenience and an efficient kitchen.

Undercounter cabinets

FOSTER

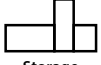

Undercounter cabinets

- These convenient, practical and tough undercounter cabinets offer on-the-spot storage of products right where it's needed - at the point of preparation.
- Undercounter refrigeration is perfect for tight kitchen areas as they use less space under the work bench for refrigerated storage.
- Front breathing refrigeration systems on all models, makes the range suitable for use in enclosed areas.

 **150, 200 and 360 models**
Glass door versions also available.

Hydrocarbon Refrigerant

Storage Refrigeration

 **Space saver 120 and 240 models**
GN1/1 storage on a small footprint.

Low level counters

Heavy duty cooking equipment can rely on the support of the Foster low level counters

- Undercounter refrigeration is provided at the point of cooking, offering a base for a char-grill, griddle or broiling top. Ideal for quick service restaurants and pubs as it provides refrigerated storage underneath the cooking area itself.
