

FOSTER REFRIGERATOR - QUALITY POLICY STATEMENT

Our Vision is: **Where there's food there's Foster**

Our Aims and Objectives are as follows:

- To supply products & services for the target market, to specification and on time.
- To comply with the requirements of the ISO9001:2008 Quality Management Systems by developing the Foster Quality Management System and communicating this requirement to all employees.
- To transform Foster into a high growth, high ROS business.
- To continually improve performance and effectiveness through the establishment and monitoring of objectives and targets.
- To meet Statutory and Regulatory requirements.

In support of this policy Foster Refrigerator will provide adequate resources to enable management to fulfil their responsibilities and comply with this policy.
